CIS Plus Premium Features

Illinois' Career Information System (CIS) has premium features that can be leased annually at a considerable cost savings compared to individual purchases. For one low price, *all* students at a school can take academic and civil service practice tests or use career exploration tools. There are now also online courses to prepare for the ACT and SAT!

After leasing, go to www.ides.illinois.gov/careerinfo then choose CIS or CIS Job Seeker. Create (or log into) My CIS Portfolio, then the practice tests and online courses are listed in my CIS portfolio. When leased, IDEAS is on the CIS or CIS Job Seeker home page under Assessments.
