What is IllinoisJobLink.com?

IllinoisJobLink.com is a robust, dynamic and comprehensive, web-based workforce development system for job seekers, employers, training providers and workforce professionals with real-time data.

For employers, it features job order creation, resume matching, employer assistance and resources.
You’re one step closer finding candidates for your open jobs. Unlike most other online job posting sites, creating an employer account doesn’t incur any additional cost. Plus, it’s fast and easy!

Self-registration allows you to create your personal user name and password. After your account has been approved by staff you can post your job order and search for candidates.

Create an account

- Click on the tab, “Employers” and click on “Register for a new account”.
- Create an account.
- Read and review all information on the “Employer Use Policy” page and select “I Accept”.
- Answer all questions on the “New Account Creation for Employer” page.

Post a Job

- Creating a job posting is a six step process. The more information you provide, the more attractive the job posting will be to job seekers.

What if I already have an account?

Do not create a new account. Enter your username and password in the log in section of www.IllinoisJobLink.com. Click the link, “Forgot Username or Password”, if you need assistance retrieving either or both. Click the link, “Contact Us” for more help on username and password retrieval.

Resume Search

- Search the job seeker resume database by keyword(s) and location in the What and Where boxes.
- Narrow your search results by using the filters under the REFINE SEARCH menu.
- To add a filter to your search criteria, click it. Your search results will automatically update to match the filter you added.
- You can see all of the filters you’ve added in the FILTERED BY section. To remove a filter and widen your search, click the x next to the filter.
