Technical Notes:

1. The Economic Information & Analysis (EI&A) Division collects, compiles, analyzes, publishes and distributes a variety of Workforce, Career Resource and Labor Market Information and is the State of Illinois' primary source of labor market statistical data. [CLICK HERE](#) for EI&A Data and Statistics.
2. This report represents employers that post online job ads. Hiring practices of some industries, such as construction, do not typically post their job openings online.
3. The Conference Board Help Wanted OnLine® Data Series (HWOL) measures the number of new, first-time online job ads from more than 16,000 Internet job boards, corporate boards and smaller job sites that serve niche markets and smaller geographic areas. From time-to-time, ads used in the HWOL Data Series may have inaccurate location information listed. These inaccuracies are addressed and corrected on an ongoing basis.
