Technical Notes:

- The Economic Information & Analysis (EI&A) Division collects, compiles, analyzes, publishes and distributes a variety of Workforce, Career Resource and Labor Market Information and is the State of Illinois' primary source of labor market statistical data. [CLICK HERE](#) for EI&A Data and Statistics.
- This report represents employers that post online job ads. Hiring practices of some industries, such as construction, do not typically post their job openings online.
- The Conference Board Help Wanted OnLine® Data Series (HWOL) measures the number of new, first-time online job ads from more than 16,000 Internet job boards, corporate boards and smaller job sites that serve niche markets and smaller geographic areas. From time-to-time, ads used in the HWOL Data Series may have inaccurate location information listed. These inaccuracies are addressed and corrected on an ongoing basis.
