Technical Notes:

1. The Economic Information & Analysis (EI&A) Division collects, compiles, analyzes, publishes, and distributes a variety of Workforce, Career Resource and Labor Market information and is the State of Illinois' primary source of labor market statistical data.
[CLICK HERE](#) for EI&A Data and Statistics.
2. This report represents employers that post online job ads; it is not necessarily a complete listing of all jobs available in this area. Some industries--like construction--do not typically advertise their job openings online.
3. The Conference Board-Lightcast Help Wanted OnLine® Data Series (HWOL) measures the number of new, first-time online job ads from over 45,000 websites worldwide, including company career sites, national and local job boards, and job posting aggregators; job postings are updated daily. From time to time, ads used in the HWOL Data Series may have inaccurate location information listed. These inaccuracies are addressed and corrected on an ongoing basis.
