**SPRINGFIELD** – The Illinois Department of Employment Security (IDES) announced today Disaster Unemployment Assistance (DUA) is now available to eligible individuals in Cook County who were impacted by flooding in June as a result of a major disaster declaration issued by President Biden on August 15, 2023. IDES is now accepting applications for DUA benefits from individuals in Cook County whose employment or self-employment was lost or interrupted due to the flooding. Claimants are eligible to receive up to 26 weeks of DUA benefits as long as their unemployment continues to be a result of the disaster.
